Healing A Father’s Heart is a Bible study designed to provide freedom for men who have experienced the effects of abortion. Abortion inflicts pain on men as well as women. These fathers may be suffering from fear, anxiety, anger, guilt, and depression without understanding why. Men who have lost a child to abortion need a safe place to grieve the loss.

This ten week study helps men acknowledge their grief and move toward acceptance, forgiveness, freedom and healing. It provides a unique opportunity to connect with other men who have walked this road. Men will learn about God’s unchanging, loving character and His desire to forgive them and heal their father-hearts.

*If you or someone you know needs help with coming to terms with the grief following an abortion, please consider joining this class.*

Dates and times of the class are TBD. The class is offered in person and virtually. The location and details of the class are strictly confidential and there is no cost to attend.
